Main Events

Freshers' Week is a two-week event where we host a range of activities for both new and returning students. It's an opportunity to strengthen our bond as an Islamic Society and to give everyone a warm and welcoming start to the year.

Charity Week is an important part of our year, dedicated to raising funds for Muslim countries in need. Throughout the week, we come together to support meaningful causes through activities such as charity bake sales, a big charity dinner, tournaments, and many other events.

Ramadan is a special month for us at UWE ISoc. Throughout the month, we share regular reminders about Ramadan and host daily talks, weekly iftars, and daily Taraweeh prayers. We also organise a range of Ramadan-focused events to help students make the most of this blessed month together.

One of our main events is Eid and Eid prayers. We aim to provide a large space where everyone can come together to celebrate Eid, enjoy the spirit of Islam, and share in the sense of family and community.
